FLOOR DEBATE

May 9, 2001

LB 142, 180, 600, 620
LR 115, 116

that long list of amendments you see on your gadget attributed to me. Many of them are only grammatical in nature, providing language that I think clarifies. One or two of them goes beyond just substituting a word but, rather, reordering language. Nothing in any of my amendments that will be on this list, that is going to comprise one amendment, will in any way change the thrust of the bill. I have worked with Senator Kristensen, Senator Kristensen's staff, and once I become certain that we have gotten all of the amendments and only the ones that we agree on, then I'm going to proceed with the matter before us. Mr. President, are there any other lights on? Then I will let that serve as my close. I hope that you will vote to adopt this amendment.

PRESIDENT MAURSTAD: Thank you, Senator Chambers. The question is the adoption of AM1930 to LB 620. Those in favor vote aye; those opposed vote nay. Mr. Clerk, please record.

CLERK: 28 ayes, 0 nays, Mr. President on the adoption of Senator Chambers' amendment.

PRESIDENT MAURSTAD: The amendment is adopted. Mr. Clerk.

CLERK: Mr. President, may I read some items?

PRESIDENT MAURSTAD: Certainly may. Items for the record.

CLERK: Mr. President, thank you. Revenue Committee reports LB 600 to General File with committee amendments attached. That's signed by Senator Wickersham, as Chair of the committee. Mr. President, I have study resolutions: LR 115 by the Natural Resources Committee, be referred to the Executive Board; LR 116 is by Senator Schimek, that will be referred to the Executive Board as well. And amendments to be printed: Senator Schimek to LB 142; Senator Beutler to LB 180. (Legislative Journal pages 1891-1893.)

Mr. President, the next amendment, Senator Chambers...is by Senator Chambers, AM1834, Senator.

PRESIDENT MAURSTAD: Senator Chambers, you're recognized to open
